To assist the CYMPO Technical Advisory Committee in selecting individuals who will do the best job for the Ecosystem Connectivity and Mitigation Advisory Committee and the CYMPO Region, please complete the following information demonstrating your commitment to the scope of EMAC.

Scope:

- Participate in Regional Planning and Design Studies performed by CYMPO, ADOT and Local Public Agencies
 - Make recommendations to TAC and/or the Executive Board during the planning or design phases of projects
- Coordinate and participate in regional ecosystem connectivity and mitigation planning studies (Funded by FHWA or other grants)
- Pursue funding opportunities for ecosystem connectivity and mitigation through FHWA, existing 501.c.3 organizations, or other sources
- Coordinate with Local Public Agencies, such as Land Use Planning Staff, to coordinate Land Use and Transportation and EMAC issues
- Provide EMAC related education for Executive Board, TAC, and public

Statement of Qualifications (please attach):

- Please state why you are seeking this position
- Please state your current and past organizational affiliations and/or experience that relates to the EMAC scope
- If selected, please state goals you would strive to achieve in support of EMAC and CYMPO
